MEMORANDUM FOR THE RECORD

SUBJECT: ASD/I US/Soviet Net Assessment Study

I talked with Mr. George Steeg, ASD/I, the Study Group Chairman, to determine their reaction to the DCI's letter on this subject. He indicated that he had seen the letter, but had received no guidance from Dr. Hall. Therefore, he is proceeding with the study as originally planned. He also indicated that the completion date is not firm as yet, but that he plans to give Hall a status report later in the week, and hopes to get guidance at that time. I indicated that I would be back in touch with him later in the week for an update.

John:

I realize this may be beyond our influence, but, as a precedent, it could prove troublesome. If the Army's counter intelligence budget data is now to be unclassified, why not CIA's?
